Each tool is designed to help you understand a particular situation, prepare for it, and weigh your choices. Free to use, no sign-up.

Home & Daily Life

- **Bike Medic**
  Figure out what's wrong with your bike — and what to do next.
- **Contract Decoder**
  Understand what you're agreeing to before you sign.
- **Final Wish**
  Organize what matters. Say what needs to be said.
- **LaundroMat**
  What to wash, how to wash it, and what to do when things go wrong
- **Lease Trap Detector**
  Find predatory clauses hiding in your lease
- **Paperwork Path**
  The documents you need — and the order to handle them
- **Plant Rescue**
  Figure out what's wrong—and what to do next
- **Recipe Chaos Solver**
  When the recipe stops going according to plan.
- **Renter's Deposit Saver**
  Protect your security deposit on move-in day
- **Roommate Court**
  Work it out without making it worse.
- **Safe Walk**
  A little preparation before you head out.

Travel & Events

- **Hobby Match**
  Discover hobbies you didn't know existed.
- **Layover Maximizer**
  Turn dead time into a memorable part of your trip

Relationships

- **Culture Briefing**
  Know before you go — cultural intelligence for any destination
- **Date Night**
  Plan an evening that feels special—without spending hours figuring it out.
- **Giftology**
  The perfect gift for the hardest person to shop for.
- **Party Architect**
  Host events people actually remember.

Money

- **Bill Rescue**
  A bill isn't a verdict. It's a puzzle to solve.
- **Buy Wise**
  Make the purchase with your eyes open.
- **Fake Review Detective**
  Spot fake reviews before you get burned
- **Money Diplomat**
  The right number for every money moment — tips, splits, gifts, salary
- **Quote Check**
  Know what you're paying for before you approve the repair.
- **Scam Radar**
  Spot the warning signs before you click, pay, or reply.
- **Upsell Shield**
  Walk in knowing what matters—and what you'll say.

Career and Business

- **Before Hello**
  Become worth knowing before you ask to be known.
- **Brag Sheet Builder**
  Remember your work. Recognize your strengths. Tell your story with confidence.
- **Caption Magic**
  Find the words that fit the photo.
- **Cold Open Craft**
  Make the first message easier to send — and easier to answer.
- **Concept Coach**
  Stress-test your business idea before you invest time or money
- **Future Proof**
  Stress-test a career, skill, technology, investment or long-term bet — before you go all in
- **Get Noticed**
  Widen the circle of people who know what you do
- **Ghost Writer**
  You know why they deserve it. This helps you say it.
- **Heckler Prep**
  Anticipate the hardest questions before they land.
- **Justify My Meeting**
  Is a meeting justified?
- **Leverage Logic**
  Know where you stand before you negotiate
- **Meeting Hijack Stopper**
  A plan for the meeting—and the moments that could derail it.
- **Name Audit**
  Stress-test any name before you commit
- **Name Storm**
  Name anything. Know it works before you commit.
- **Roast Me**
  Find the clichés, buzzwords, humblebrags, and cringeworthy phrases you stopped noticing long ago.
- **Skill Gap Map**
  See what carries over. Find what to build next.
- **The Debrief**
  The meeting ended. Now figure out what actually happened.
- **The Run-Through**
  Presentation coach in your pocket.
- **The Whole Story**
  Frame your real story for any audience — honest but strategic

Health & Wellness

- **Before the Crash**
  Learn what tends to happen before you run out of steam
- **Brain Dump Buddy**
  Everything in your head → one clear next step
- **Brain State Deejay**
  Music that moves you from where you are to where you need to be.
- **Chaos Pilot**
  Figure out what matters now — and what can wait
- **Doctor Visit Prep**
  Walk in prepared — because fifteen minutes goes by quickly.
- **Document Detective**
  Paste the document. Find what matters to you.
- **Dream Pattern Spotter**
  Find recurring themes and emotional patterns in your dreams
- **Focus Pocus**
  Get something done without disappearing into it
- **Focus Sound Architect**
  Build a background your attention can live with.
- **Gentle Push Generator**
  Micro-challenges just outside your comfort zone
- **GriefGuide**
  Compassionate guidance for navigating loss — yours or someone else's
- **Lazy Workout Adapter**
  Low-barrier movement that meets you where you are
- **Mental Health Navigator**
  Find the right support for what you're going through
- **Name That Feeling**
  There's a word for that. Let's find it.
- **PEP — Personal Energy Planner**
  Work with the energy you have.
- **Pet Behavior Decoder**
  Weird, normal, or worth a vet call?

🔬 **Procedure Probe**
Be an informed patient before you say yes.

😴 **Sleep Architect**
Better sleep, one useful experiment at a time.

⚡ **Social Battery Advisor**
Learn which interactions affect your energy — and what makes the difference.

⛏️ **Task Avalanche Breaker**
Find one foothold in a project that feels too big to start

🗺️ **Trip Recon**
Prepare for the sensory parts of going somewhere.

👥 **Virtual Body Double**
Work together. Even when you're working alone.

⏳ **Waiting Mode Liberator**
Break free when upcoming events freeze your day

Conversations

💡 **Analogy Engine**
Explain anything to anyone — using their world.

🥊 **Argue Smarter**
Test your ideas against the strongest criticism you can find

💬 **Awkward Silence Filler**
Context-appropriate conversation rescues on demand

🍳 **Comeback Cooker**
For the response that arrived three hours too late.

📧 **Complaint Escalation Writer**
A clear plan for when a company stops answering

🧯 **Conflict Coach**
Respond to the message — not the heat of the moment.

🔭 **Context Collapse**
See how different people will read the same message — before you send it

🔍 **Decoder Ring**
Explore what might be happening beneath the words

🗣️ **Difficult Talk Coach**
Practice hard conversations before they happen

👩‍⚕️ **Doctor Visit Translator**
Turn medical jargon into plain English

📬 **Email Urgency Triager**
Find out what actually needs a reply today

💝 **Gratitude Debt Clearer**
Turn what happened into the thank-you you've been meaning to send.

🗣️ **Magic Mouth (M²)**
The art of the ask.

⚖️ **Mend**
Match your apology to the actual harm caused

💪 **Nerve Check**
Real confidence for scary moments.

🤷 **Read the Room**
Know what to say when you're not sure what to do.

⚖️ **The Final Word**
Arguments settled. Facts checked. No appeals.

🥂 **Toast Writer**
Toasts, speeches, and tributes that sound like you.

💣 **Truth Bomb**
Get clear on the thing you haven't said.

🔨 **Velvet Hammer**
Say the hard thing without losing the point.

✨ **What's My Vibe?**
See the patterns hiding in the way you write.

💬 **What's That Mean?**
What did they really mean.

Learning

🎯 **Heart of the Matter**
Find what matters in something long.

⛓️ **Missing Link**
Stuck on a concept? We'll find where your understanding broke.

🔍 **Plain Talk**
See through any text — plain language plus structural X-ray

🗣️ **Pronounce It Right**
Know how to say it before you have to.

📄 **Research Decoder**
Understand the research without becoming a researcher.

📡 **Signal vs. Noise**
Find what holds up — and what doesn't.

📚 **Someone Said It Better**
The words you needed, already said.

Just for Fun

🔬 **Belief Stress Test**
Your guiding beliefs, pressure-tested. Where they hold. Where they break.

🔖 **Bookmark**
Pick up where you left off — without spoilers

🎲 **Brain Roulette**
Follow your curiosity somewhere unexpected.

📰 **History Today**
Find the structural historical parallel — not the obvious one

🏷️ **Markup Detective**
Why does this cost that? Follow the money.

🗺️ **Micro-Adventure Mapper**
Turn a free hour into a small adventure

🕳️ **Plot Hole Finder**
Find where the story stops adding up

🔗 **Six Degrees of Me**
Discover the surprising threads that connect your experiences

💭 **Tip of Tongue**
Describe it from memory — DeftBrain will figure out what it is.

Self & Reflection

⏳ **Where Did the Time Go?**
Make sense of the day that disappeared.

Ideas & Imagination

🌀 **Alternate Path**
What if history went differently?

🧵 **Fan Theory**
Wild but defensible fan theories about anything

⏰ **Time Warp**
Collide anything modern with any historical period.

🙃 **Wrong Answers Only**
Ask anything — get a confidently, beautifully wrong answer

Decisions

💀 **Break My Plan?**
Find the weak spots in your plan before they find you.

🎯 **Decision Coach**
A clear recommendation when you're too stuck to choose.

🔀 **Decision Prism**
See a tough decision from every angle

🚗 **Drive Home**
A clearer call before you get behind the wheel

💛 **Friendship Fade Alerter**
Stay connected to the people you care about

🍳 **Mise en Place**
The hard part isn't the cooking. It's deciding.

🚪 **Not So Fast!**
The overlooked options, key conversations, and escalation paths nobody ever explains

⚡ **Small Change, Big Difference**
One small change that could make the rest easier.

🚦 **Ticket Tackler**
Got a ticket? See what kind of case you actually have.

🔮 **Which Life?**
Feel both futures before you choose.

Tasks

⚡ **Batch Flow**
Your tasks, grouped so the day stops fighting you

🧰 **Tool Finder**
Tell me what you're dealing with — I'll find the right tool.
